CONFIDENTIAL HEALTH INFORMATION

INFORMED CONSENT TO TREAT

I hereby request and consent to the performance of procedures, including various modes of physio therapy, chiropractic adjustments, examinations, acupuncture, diagnostic x-rays, and any supportive therapies on me (or on the patient named below, for whom I am legally responsible) by *Prolific Chiropractic* and/or other licensed providers and support staff who now or in the future treat me while employed by, working or associated with or serving as back-up providers named below, including those working at the clinic or office listed below or any other office or clinic, whether signatories to this form or not.

I have had an opportunity to discuss with the provider and/or with other office or clinic personnel the nature and purpose of the procedures.

I understand and I am informed that, as is with all healthcare treatments, results are not guaranteed and there is no promise to cure. I further understand and I am informed that, as is with all healthcare treatments, there are some risks to treatment, including, but not limited to, muscle spasms for short periods of time, aggravating and/or temporary increase in symptoms, lack in improvement of symptoms, fractures, disc injuries, strokes, dislocations and sprains. I do not expect the *Prolific Chiropractic* provider to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgment during the procedure which the doctor feels at the time, based upon the facts then known, is in my best interest.

I further understand that treatment is designed to improve health. It can also alleviate certain symptoms through a conservative approach with hopes to avoid more invasive procedures. However, like all other health modalities, results are not guaranteed and there is no promise to cure. Accordingly, I understand that all payment(s) for treatment(s) are final and no refunds will be issued.

I further understand that there are treatment options available for my condition, these treatment options include, but limited to self-administered, over the counter analgesics and rest; medical care with prescription drugs such as anti-inflammatories, muscle relaxants and painkillers; steroid injections; bracing; and surgery. I understand and have been informed that I have the right to a second opinion and secure other options if I have concerns as to the nature of my symptoms and treatment options.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
